UNITED STATES PATENT OFFICE

121,759

DESIGN FOR A HURRICANE LAMP OR SIMILAR ARTICLE

Arthur J. Bennett, Cambridge, Ohio

Application February 6, 1940, Serial No. 90,065

Term of patent 14 years

To all whom it may concern:

Be it known that I, Arthur J. Bennett, a citizen of the United States of America and resident of Cambridge, county of Guernsey, and State of Ohio, have invented a new, original, and ornamental Design for a Hurricane Lamp or Similar Article, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof, in which—

Figure 1 is a side elevational view of a hurricane lamp or similar article, showing my new design;

Figure 2 is a vertical sectional view of the same; and

Figure 3 is a top plan view of the base with the lamp chimney removed.

The essential feature of the design resides in the lamp base comprising a bowl having a candle socket provided in its bottom at the center of the bowl, the candle socket being encircled by a concentric circular partition wall located at a spaced distance from the candle socket.

I claim:

The ornamental design for a hurricane lamp or similar article, substantially as shown and described.

ARTHUR J. BENNETT.
