# UNITED STATES PATENT OFFICE

WILL CAMERON McCARTNEY, OF CAMBRIDGE, OHIO

DESIGN FOR A GOBLET OR SIMILAR ARTICLE

Application filed August 25, 1931. Serial No. 40,923. Term of patent  $3\frac{1}{2}$  years.

*To all whom it may concern:*

Be it known that I, WILL CAMERON McCARTNEY, a citizen of the United States of America, and resident of Cambridge, county of Guernsey and State of Ohio, have invented a new, original, and ornamental Design for a Goblet or Similar Article, of which the following is a specification, reference being had to the accompanying drawing, in which—

The single figure is a perspective view of a goblet or similar article showing my new design.

The invention resides in the stem which comprises a nude female figure occupying upstanding position with both arms upraised, balancing upon the head by means of the hands an urn-like figure upon which is superposed the bowl of the goblet. Said figure is

represented as standing upon an elevated central portion of the base with one foot and an adjacent portion of a leg enveloped by a fallen gauze-like scarf. The arms are represented as occupying similar fully exposed positions at opposite sides of and at substantially equal distances from the head, and the unshorn hair is represented as falling in a loose wind-blown mass over one shoulder. The opposite or reverse side of the stem shown the nude back of the female figure with the disclosed forms of the urn-like figure and the base repeated in all substantial respects.

I claim—

The ornamental design for a goblet or similar article, substantially as shown and described.

WILL CAMERON McCARTNEY.
