THE CAMBRIDGE GLASS CO.
CAMBRIDGE, OHIO, U. S. A.

TERMS.

All accounts are due and payable within 30 days from date of invoice. A discount of 1 per cent. will be allowed if paid within 15 days from date of invoice. Accounts are payable at the Company's main office in Cambridge, Ohio, U. S. A., in New York exchange. Remittances to be made payable to the order of "The Cambridge Glass Company."

CATALOGUES.

This Catalogue represents only a part of our production.

Special Catalogue is issued for the following lines, and copies will be forwarded upon application:

Tumblers, Bar and Hotel Glassware,
Soda Fountain and Confectioners' Supplies,
Druggists' Glassware, Photographers' Glassware,
Lead Blown Tumbler, and Stemware,
Needle Etched and Deep Plate Etched,
Light Cut Glassware.

SPECIAL.

As this Catalogue is made in loose leaf form and at quite some expense, we will from time to time send you additional sheets to be inserted. We would greatly appreciate your keeping this Catalogue before you.

We issue Special Circulars from time to time. Keep us informed as to your requirements, then your name will be placed on our mailing list for information that will be of interest to you.

NOTICE.

SHAPES.

We designate the various shapes of Nappies in all lines as follows:

- A shape means Plain Round Standard.
- C " " Belled.
- D " " Flared Round Shallow.
- E " " Flared and Crimped.
- F " " Cupped or Rose Bowl

MEASUREMENTS.

We give in our price list only the ACTUAL MEASURES IN INCHES FOR DIAMETER OR HEIGHT and where capacity is given the measurement is given in ounces fluid.

PACKAGE CHARGES.

All goods are sold F. O. B., Cambridge, Ohio, subject to the following Standard Prices for Packages. These prices are for the regular inland Domestic shipments.

Foreign shipments require special heavy packages, which are made at extra prices.

PACKAGES.

All packages are a specific charge on each invoice, and the charges are those established by the Glass Association of Flint and Lime Glass Manufacturers.

See Price List for Prices of both Domestic and Export packages.

BREAKAGE.—As we have all our glass put up by experienced packers in the most neat and careful manner, we make no allowance for breakage, our Bills of Lading being guarantee of good condition.

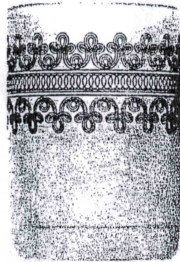

We beg to draw your attention to the fact that we operate two factories, one at Cambridge and the other at Byesville, Ohio, with main offices at Cambridge, Ohio.

The Cambridge factory produces a full line of pressed tableware, bar supplies and iron mold goods, as well as a full line of druggist sundries ; while the Byesville factory manufactures a complete line of lead blown tumblers and stemware in fancy cuttings and etchings.

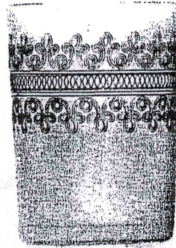

We employ upwards of 800 people in our factories and invite you to visit us and see a model glass factory.
